

Safety & Cleaning Procedure

Before COVID-19:

Morning before open cleaning procedures:

Clean and disinfectant waiting room area include:

- Front door
- Door knobs
- All light switch
- Restroom
- Vacuum and Mop the floor
- Dusting all pictures and counter area

Our Therapist Must:

- Washing hand before and after each treatment
- Use soap to wash oil or lotion bottle after each treatment
- We use Valley City Linen Service (All linen are sterilized)

After each treatment in the treatment room, we use disinfectant cleaner to wipe off:

- Massage table
- Face cradle
- Bolster
- Light switch
- Chair
- Door knob

The end of the day cleaning:

- Empty all trash cans
- Clean the restroom
- Vacuum all treatment room, hallway, and waiting room area

Massage and acupuncture treatment is appointment only
